5. Canceled.
6. Canceled.
7. Canceled.
8. Canceled.
9. Canceled.
10. Canceled.
11. (Previously presented) An auxiliary cover system for a video game console and game controller comprising:

a video game console cover placed over said console, wherein said console cover has a plurality of fiber optic strands embedded in a top surface thereof for providing a lighted visual effect.
12. (Canceled)

13. (Currently Amended) The auxiliary cover system of Claim 11, wherein said [[game controller]]video game console cover comprises:
- a top half having a plurality of openings corresponding to joysticks, pushbuttons and paddle switches provided on said game controller; and
 - a bottom half having a form complementary to a bottom half of said game controller; said top half and said bottom half coupled via snap clips.
14. (Currently Amended) The auxiliary cover system of Claim 13, wherein said [[game controller]]video game console cover has a [[second graphic]] display provided on a top surface thereof.
15. (Canceled)
16. (Previously Presented) The auxiliary cover system of Claim 11, wherein said console cover comprises:
- a pair of connector openings to permit egress of connectors;
 - a pair of switch openings to permit access to switches; and
 - a media tray opening to permit access to a media tray.
17. (Previously Presented) The auxiliary cover system of Claim 16, wherein said console

cover further comprises a plurality of openings for cables.

18. (Previously Presented) The auxiliary cover system of Claim 17, wherein said console cover further comprises a plurality of vent openings corresponding to vents on said console, thereby discharging heated air to outside ambient air.
19. (Previously Presented) The auxiliary cover system of Claim 11, wherein said console cover has a first graphic display provided on a top surface thereof.
20. (Previously Presented) The auxiliary cover system of Claim 19, wherein said first graphic display is a member selected from the group consisting of sports themes, children's themes, adult themes and fantasy themes.
21. (Previously Presented) The auxiliary cover system of Claim 19, wherein said console cover further comprises furnished graphic images.
22. (Previously Presented) The auxiliary cover system of Claim 19, wherein said console cover further comprises user supplied images.
